RE: RQ-2 Dated April 4, 2016 Re: February Monthly report (01/01/2016 - 01/31/2016)

Please be advised that the St. Lawrence Seaway Pilots' Association is an unincorporated membership organization and is contributing to the APA PAC in its own name pursuant to the advice rendered by the Federal Election Commission in Advisory Opinion AO 1988-3 (April 29, 1988). The St. Lawrence Seaway Pilots' Association is not a labor organization, corporation, collecting agent or a political committee.

The St. Lawrence Seaway Pilots' Association is similar in all relevant aspects and particulars to the Pilots' Association for the Bay and River Delaware, the "test group" selected by the FEC for the purpose of rendering Advisory Opinion AO 1988-3 and according to legal counsel, are thus allowed to rely on the advice expressed in that opinion.
